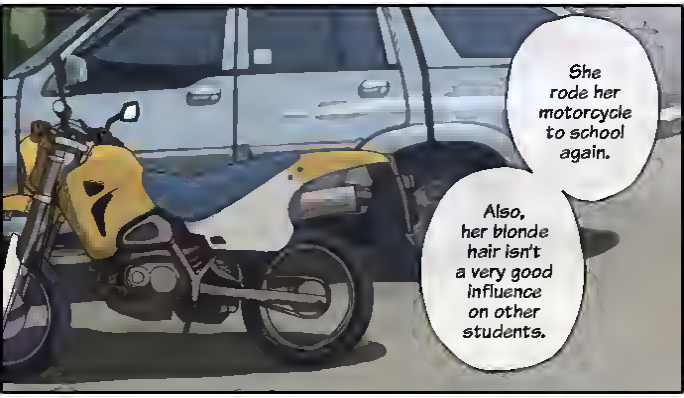
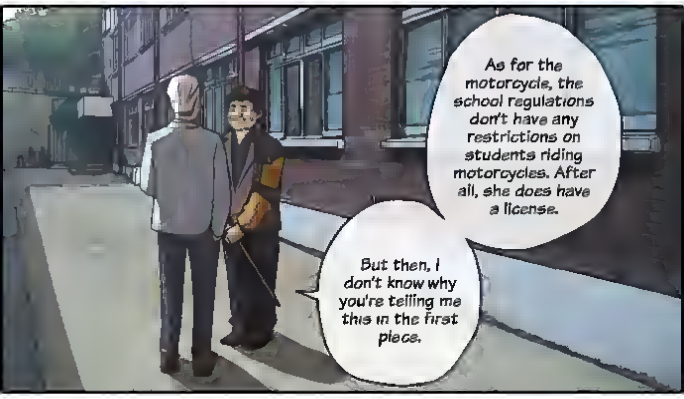
Don't you think there are too many delinquents at this school Mr. Suh?
Uh... sir, about that...

About that... Gu Ha-Rin...
SUH YONG-SEOK (43)
STUDENT ADVISOR AND ART TEACHER

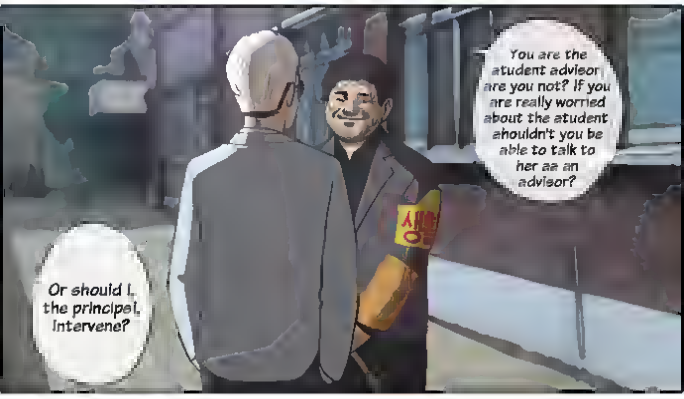


She rode her motorcycle to school again.
Also, her blonde hair isn't a very good influence on other students.

I think we should straighten her out before we get to other stud—
Is this about Gu Ha-Rin again?
생활지도

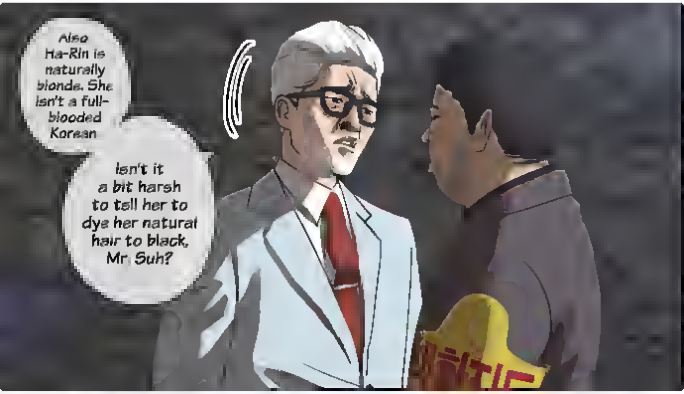


As for the motorcycle, the school regulations don't have any restrictions on students riding motorcycles. After all, she does have a license.
But then, I don't know why you're telling me this in the first place.



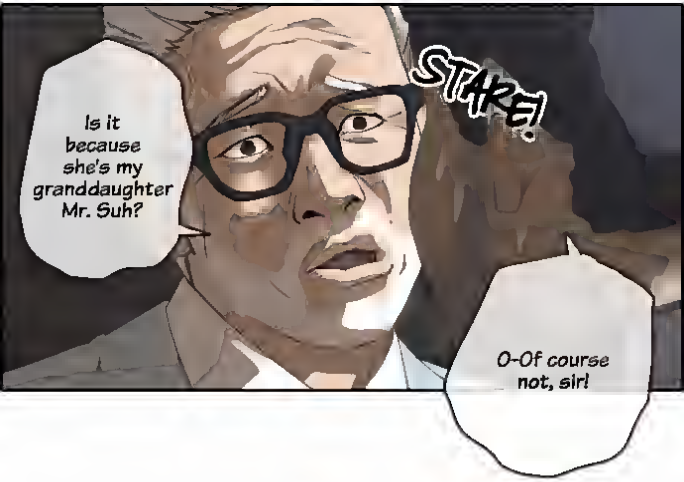
You are the student advisor, are you not? If you are really worried about the student, shouldn't you be able to talk to her as an advisor?
Or should I, the principal, intervene?
생활지도

UH, W-WELL,
EVEN IF I DO TALK TO HER—

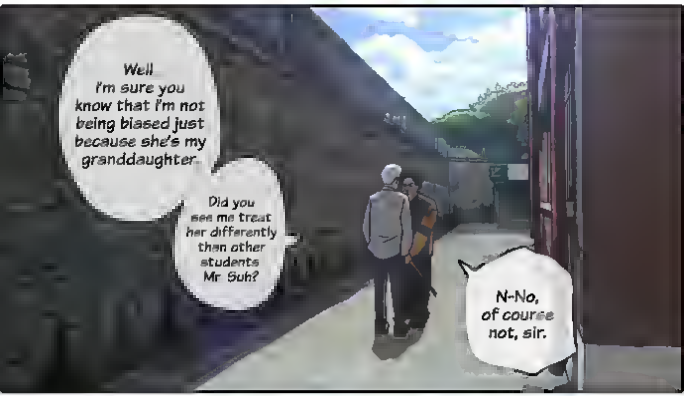


Also Ha-Rin is naturally blonde. She isn't a full-blooded Korean
Isn't it a bit harsh to tell her to dye her natural hair to black, Mr. Suh?

Sometimes I think that you just don't like that student, Mr. Suh.
GU CHANG-HO (62)
NAMCHUN HIGH SCHOOL PRINCIPAL



Is it because she's my granddaughter Mr. Suh?
STARE
O-Of course not, sir!



Well I'm sure you know that I'm not being biased just because she's my granddaughter.
Did you see me treat her differently than other students Mr. Suh?
N-No, of course not, sir.

I'm trying to say, just stick to regulations. You don't need to go beyond that.
Chapter 3
First Day of Shame
I... I understand sir...

He calls himself the principal?
He's a mobster, not a principal!
SMOLDER
RAGE
SEETHE
What a sorry excuse for a school! Everything's wrong about this place, starting with the principal!
How can he talk like this to a student advisor!?
Covering up for a trouble-maker like Gu Ha-Rin just because she's his granddaughter.
Actually according to regulations everything he said was technically right
